Handy Hint Number 43

Re-assign Bookings to other Trainers

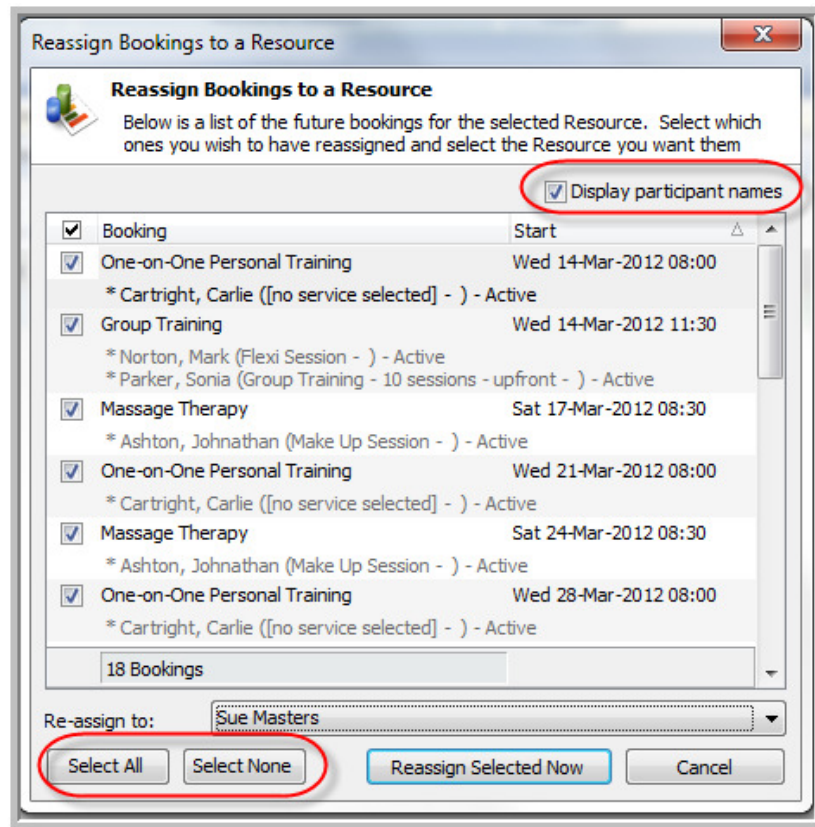

In ClientConnect, you have the ability to re-assign bookings from one trainer to another. This is really useful if you have a Trainer who is going on leave - you can simply move all of their existing bookings over to a new trainer.

Go to Application Menu > Control Panel > Manage Booking Resources and highlight the trainer with the bookings you wish to re-assign.

March fig 2.

Then at the bottom of the screen, select the Booking Resource to whom you wish to re-assign the bookings. Then click on 'Reassign Selected Now' to complete the re-assigning.

March fig 3.

The selected bookings will then be re-assigned to the selected Booking Resource.
