Handy Hints Number 61

Membership Contracts

Did you know you can generate a Membership Contract when you make a sale?

Have your document signed, sealed and delivered straight away AND have it automatically stored on the client file.

All you need to do is set up your Mail Merge document, make a sale and generate the contract. Too easy!

Read more about setting up your own [Membership Contracts](#).

Or maybe you need to brush up on your [Mail Merges](#) first?!

Be sure to contact support@pulsetecolutions.com if you need more help.

Reminders

As usual, please send **ALL** correspondence to support@pulsetecolutions.com NOT to our personal emails because if we are away, you may not be answered and we don't want that to happen.

You can also phone us directly on +61 (0)3 9878 7813 or check out our support website <http://support.pulsetecolutions.com> for handy hints, instruction sheets and archived newsletters.
